Trevor, will you send Andrew a PDF of the map for this morning's meeting at 8:00am please.

Heather, thanks for setting up. We understand how busy Andrew is and we really appreciate CDPHE's assistance. Greg, let me know if I need to include anyone else from EPA.

I thought we would start from the folks who have already called and prioritize. So these lists only include who has called in.

Today, Trevor and Lynn Fechter are working on prioritizing wells that have not called in.

Lynn, we will be meeting in the same place as yesterday.

Let's use my conference call in number

Thanks Pete.
